Workplace safety and business travel guidelines

Category: [Safety_Travel](#)

1. Workplace Health and Safety

1.1 General Safety

The company is committed to a safe working environment. Employees must follow posted safety guidelines and report hazards, accidents, or near-misses immediately.

1.2 Emergency Procedures

Employees should familiarize themselves with emergency exits, assembly points, and fire safety procedures for their office location.

1.3 Workplace Wellness

The company encourages a healthy work-life balance and discourages excessive overtime. Employees experiencing stress or burnout are encouraged to speak with HR or use any available employee assistance programs.

2. Business Travel Policy

Employees who travel for business purposes are expected to act responsibly and cost-consciously while representing the company.

2.1 Booking Travel

All flights, hotels, and ground transportation should be booked through the company's approved travel channel or with prior manager approval.

2.2 Per Diem and Meals

A daily per diem is provided to cover meals and incidental expenses while traveling, at a rate published in the internal travel guide.

2.3 Travel Safety

Employees traveling internationally should register their itinerary with HR and ensure they have appropriate travel insurance and required visas before departure.
